

Welcome to the Cookstown Saltwater Anglers Club

The **Cookstown Saltwater Anglers Club** benefits all anglers who share the interest in all types of recreational fishing. We promote environmental awareness and educational fishing activities. Our members share a common bond of fishing, and practice good sportsmanship, while maintaining camaraderie among our group. We are a family orientated group of responsible safe anglers.

The **CSAC** encourages member boat owners, and members without, to join together, share expenses, to enjoy a day on the water, whether it be in the bay, ocean, or at a favorite freshwater fishing spot. Even if you prefer your own fishing group, joining the **CSAC** is a great way to meet other local recreational fishermen, and share techniques.

We regularly schedule instructional seminars at our meetings. A wealth of fishing knowledge can benefit all those present. All members have a chance to, learn and share their own experiences during each session.

We have dedicated club officers and members, who strive to make our club an enjoyable and successful organization. The **CSAC** also takes part in various outdoor sport and fishing activities in surrounding communities.

The **CSAC** sponsors a yearly dinner party for members and their families. We also hold In-House fishing tournaments, and other various tournaments open to the public. **CSAC** hats and t-shirts are available for purchase at any of our meetings.

Our meetings are held at an ideal family location. Members can enjoy a dinner, snack, or beverage at our meetings.

Come to our next meeting as a guest, and see what we are about. Tell your neighbors and friends about us. Checkout our website for more information.

Join us....we always welcome new members!
